

SEP 27 1999

Mr. Eddie Sloan, Plant Manager
North American Galvanizing Company
1461 Kinark Court
St. Louis, MO 63132

Dear Mr. Sloan:

RE: North American Galvanizing Company
St. Louis, MO
RCRA I.D. No. MOD006284335

On March 25, 1999, a representative of the U. S. Environmental Protection Agency (EPA) inspected the facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA). A copy of that inspection report is enclosed.

A Notice of Violation (NOV) was issued to your company during the inspection. I have reviewed your April 8, 1999, response to the NOV and September 13, 1999, response to the 3007/Request for Information and determined that they adequately address the violations listed in the NOV. Therefore, no further submittals are required at this time. Please note that EPA reserves its right to pursue appropriate enforcement actions, including penalties, for violations discovered as a result of this inspection.

I encourage you to contact the Missouri Department of Natural Resources (MDNR) at (573) 751-3176 to ask any questions you may have regarding the regulations. To obtain a copy of MDNR's hazardous waste regulations, please contact the office of the Secretary of State, State Information Center, P.O. Box 778, Jefferson City, MO 65102, or at (573) 751-4015. The MDNR also maintains a web site at <http://www.dnr.state.mo.us>. If you have any questions regarding this letter, please feel free to contact me at (913)551-7136.

Sincerely,

Kendra Kennell
